- 8:30 - 8:45** Conference Opens with Welcoming Address
- 8:45 - 9:30** Session 1: Keep America Beautiful's 2020 National Litter Study Results: David Scott, Ph.D., Senior Director, Research, Monitoring & Evaluation; Keep America Beautiful
- 9:30 - 10:15** Session 2: The Litter Flooding Connection with the Louisiana Stormwater Coalition Marie Constantin | Dr. Jeff Keuhny | Kelly Sword-Hurtado | Renée DeWitt-Verma

Hear from the four founding members of the Louisiana Stormwater Coalition about litter and its flooding consequences. The Louisiana Stormwater Coalition is an all-volunteer, grassroots effort to increase awareness about the benefits of stormwater management and how they are working to solve Louisiana's litter problems and help prevent flooding. For years, our focus has been litter on the streets. It's time to pivot and focus on litter and flood-causing sediments in the watersheds, too. A two-pronged approach to managing stormwater is the solution.

10:15 - 10:30:BREAK:.....

10:30 - 11:30 Session 3: Creating & Maintaining Community Recycling Programs
Rachel Hering, Keep Texas Beautiful
Janet Vincent, Keep DeRidder Beautiful
Courtney Hornsby, KLB Board | West Monroe
Aundi Brown, Ouachita Green

Rachel will discuss her long-term solutions to work hand in hand to bring recycling to rural and smaller communities throughout Texas. She will be joined by Janet, Courtney, and Aundi who will discuss creating a local recycling drop-off program in your community.

11:30 - 12:15 Session 4: 'Glow' Where You're Planted Program Panel
Trey Brownfield, Keep Slidell Beautiful
Lauren Jones + Emelie Harmeyer, Shreveport Green
