

Questions about recycling can be directed to ellie.mallon@osprey.world

PROJECT OVERVIEW:

Keep Louisiana Beautiful, in partnership with Coca-Cola and Osprey Initiative, is excited to offer recycling in 12 parishes for Love the Boot Week, April 20-28, 2024! If your litter cleanup event is located in one of the eligible parishes listed below and you are interested in participating, the process is simple. Recycling bags will be shipped to you after registering for the event. During the cleanup, your volunteers will collect #1 plastic bottles and aluminum cans and place them in the recycling bags, separate from litter bags. Osprey will pick these bags up after your cleanup is completed, sort the material, and deliver it to a recycling facility! Osprey will coordinate with you prior to the cleanup to establish a pickup time and will host online training sessions to answer any questions you may have!

Eligible parishes: Ascension, East Baton Rouge, Jefferson, Livingston, Orleans, Plaquemines, St. Bernard, St. Charles, St. James, St. John, St. Tammany, Tangipahoa

In addition, there will be a drop off site at the West Monroe Recycling Center for Love the Boot Week events in Ouachita Parish. Address: 409 Lincoln St., West Monroe 71291. Groups in this parish will be responsible for dropping off their #1 plastic bottles and aluminum cans for Osprey to then sort.

AT YOUR SITE:

- Instruct volunteers to use the designated trash bag to pick up litter.
- Instruct volunteers to use the blue bag to collect recyclables.
- When recyclables are turned in to you, keep them in an area separate from trash and an Osprey team member will be by to pick them up!

***** NO GLASS ALLOWED*****
