

# Lesson Plan 4 - What Happens to our Trash and Recyclables - Activity Sheet 3

## DATA SHEET: CAN IT BE RECYCLED?

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Glass, electronics, and batteries are not recyclable in a curbside recycling bin but may be recycled by specialty recyclers.

Paper			
Recycle		Trash / Landfill	

Plastic			
Recycle		Trash / Landfill	

*\*\* Plastic grocery bags can be recycled at some Albertsons, Hi-Nabor, Matherne's, and Walmart stores. Ask your local grocery store if they accept recycled plastic bags. You can always request paper bags for your groceries!*

Metal / Aluminum	
Recycle	Trash / Landfill
