

Lesson Plan 5 - Managing Waste Through Personal Choices - Activity Sheet 2

CHECK FOR SUCCESS

Name: _____ **Date:** _____

Judy takes the plastic wrapper off her juice box straw. When she tries to throw it away, the plastic wrapper accidentally falls to the ground next to the trash can. Judy walks away leaving the wrapper on the ground.

1. What is the problem here?

2. What would be a solution to this problem?

3. Why is it important for everyone to prevent their trash from becoming litter?
