

Lesson Plan 9 - Recycling at Home - Activity Sheet 1

RECYCLING DATA SHEET

Name: _____ Date: _____

Directions: For each item in your bag decide whether it can be recycled or not.

1. Write a brief description of the item.
2. Make a tally mark in the column in which you think the item belongs.
3. If you have a plastic item, look for the plastic recycling number and write it inside the recycling symbol.
4. Remember some items can be recycled by businesses. Those should go in the Specialty Business Recycling column.

	Brief Description	Can the item be recycled?			Specialty Business Recycling	Trash for the Landfill
		Paper Cardboard	Plastic	Tin or Aluminum
